

March 16, 2020

To All Kenneth Shuler Students,

As we continue monitoring the situation surrounding COVID-19, our campuses will remain open for make up time for our students Tuesday, March 17<sup>th</sup> 2020. We are working with the South Carolina State Board of Cosmetology to allow for distance education during this time. Since this is new to our state, we will be taking time this week to prepare for its approval.

What does this mean for you?

- The campus will be open for students to attend in order to make up time. Same as Monday, 3/16/20.
- If you are unable to attend, hours will not count against you.
- We will be utilizing best practices for social distancing on campus.
- We will continue to provide any updates or changes to this as they become available.

Our goal is to keep our students and staff as up to date as possible and to continue your education with as little impact as we can during these uncertain times.

Until then, please remember the guidance from the CDC and continue to take all necessary precautions for preventing the spread of viruses.

Respectfully,

Garrett Shuler  
Executive Director  
Kenneth Shuler School of Cosmetology
