

Coronavirus Aid, Relief, and Economic Security (CARES) Act

Dear Current Student or Recent Graduate (March 16, 2020 or later),

The US Government has ratified the CARES Act which allows for government grants to be issued to students who qualify. Once the grants are received by the Schools, they will be processed and distributed to the students based upon the school's developed policy.

In order to expedite these grant funds to be distributed to you, it is imperative that we have your most current contact information and that you agree to utilize those funds as per the U.S. Department of Education. Completion of this survey **DOES NOT** guarantee that you are eligible to receive grant funds. However, this survey must be completed to determine your eligibility.
