*All classes are held at the Kenneth Shuler School  
172 McSwain Drive, West Columbia, SC, 29169*

Dear Future Instructor,

Thank you for your interest in the Methods of Teaching course. As you can see, the classes are Saturday - Sunday, on separate weekends, for a total of 6 class meetings. We are staggering the weekends as to allow for any plans you may have. The class hours are 9AM – 5:15PM. Read all information and see page 3 for the Registration Form.

Teaching is a wonderful way to share your expertise and love of the industry with others and to help your profession as well. Receiving your Instructor's License will also allow you to participate in Continuing Education classes in the state. The Methods of Teaching course I am offering will do much more than prepare you for the Board. You will go to your first teaching experience /professional demonstration with confidence because you will know how to do the following:

- ✂ Present **interesting, lively lessons** that will get your point across using the most current and successful methods available
- ✂ **Lessen your work load** by making students more responsible
- ✂ Handle the **disruptive student**
- ✂ Keep ALL **students interested**
- ✂ Diagnose and address every **learning style**, including your own
- ✂ Ensure that your students retain what they learn ~ **long term learning** ~ not just enough to pass the next test
- ✂ **Involve your students** in the learning process
- ✂ Promote **cooperative learning** in a variety of ways
- ✂ Show students how to **work together** to achieve a common goal
- ✂ Keep your sense of **humor**
- ✂ Utilize the most current interactive **technology** on the market
- ✂ **Enjoy your job**

Learning to teach is one thing. Learning to handle your classroom and all aspects of learning is something else. My educational background, a Master's Degree in Secondary Education, 37+ years' experience in the classroom, Pivot Point and Milady training and knowledge acquired as Educational Director for 8 cosmetology schools will be what makes the difference in *your* education. Having served as co-chairman of the national Cosmetology Educators' Association (CEA) for 4 years and presenting classes for the past 19 years, as well as presenting at the Chicago Midwest Beauty Show and at the Orlando Premiere Hair Show will give *you* an edge. I have also taught Instructor CEU classes for many state associations. This is my 49<sup>th</sup> Methods Class with over 1000 graduates. I look forward to working with you and sharing my love for teaching.

Sincerely,

*Angie Shuler*
