TUITION AND FEE CHANGES

The Estimated Total Program Cost set out below is an estimate and is subject to change. The actual Total Program Cost may vary depending on factors such as the length of time it takes the Student to complete the Program. Tuition and fees typically remain the same for a Student at the time the Student starts the Student's first class as long as they remain enrolled in the same educational Program and do not withdraw from the Program. Tuition and fees may change for future start dates. If the School offers a tuition benefit, grant, or scholarship to the Student or if the Student receives financial aid, scholarships, or other credits from a third-party, this financial assistance will be applied to an individual Student's ledger and used to pay for tuition, fees, costs, and kit charges to the extent permitted by law.

TUITION, TEXTBOOKS, KITS AND FEES

Tuition, fees, costs, and kit charges are charged by payment period and are based on the rates listed below in this Agreement. *Financial aid available to those who qualify.* The Student is required to pay a non-refundable application fee prior to enrolling, listed below.

Category	Amount	Notes
Tuition	\$	Net tuition amount
Technical Kit	\$	Approximate cost
Textbooks	\$	Non-refundable
Digital Kit	\$	Non-refundable
Education Kit	\$	Non-refundable; Transfer Students
Sales Tax	\$	Non-refundable
Application Fee	\$	Non-refundable
Registration Fee	\$	Refundable
Re-Entry Fee (if Applicable)	\$	Applies upon re-entry following a suspension or termination; non-refundable
Tuition Adjustment for Approved Transfer Student Clock Hours	\$	This amount is reduced from the net tuition amount above.

The Estimated Total Program Cost (tuition, fees, kits, textbooks, and supplies) subject to the terms in this Agreement is \$_____

Students will only be allowed to use Paul Mitchell technical kits and equipment while enrolled at the School.

PAYMENT

The Student may apply for Federal Title IV Student loans, Pell Grants, Federal PLUS loans, VA Educational Benefits, Federal and State Benefits, Scholarships and Grants subject to applicable terms, conditions, and requirements. Additional details regarding the process for financial assistance are available from the School's Financial Services department and in the Catalog.

The Student is responsible for any balance owed and not covered by financial aid. If the Student obtains a loan to pay for their Program, the Student will have the responsibility to repay the full amount of the loan plus any applicable interest, less the amount of any refund.

The School accepts cash, credit card, and personal check. Students will be charged a return check fee of \$35.00 and a check stop payment fee of \$35.00 for all lost checks. ***Credit Card Convenience Fee of 3% for credit card tuition payments. Credit card payments must be paid through the school's Compuwerx portal.*** The Student may also make arrangements to pay the remaining balance under a separate monthly payment plan with the School.

Funds received from financial aid Programs will be applied to the Student's account. Any remaining funds available for the Student will be paid to the Student only once the Student has paid in full the tuition, fees, charges, and kit costs for the payment period in accordance with applicable law.

Delinquent accounts may also be sent to third party collection agencies and reported to each credit bureau. Nonsufficient funds fees, collection fees, interest and attorney fees shall apply and be charged based on local, state, or federal statute at the maximum rate permitted by law, whichever is lower.

INITIAL HERE _____

EXTRA INSTRUCTIONAL CHARGES

During the contracted enrollment period, the Student must maintain a 90% attendance average each month in order to complete the program by the expected/calculated completion date. The Student is allowed to miss 10% absent hours of their scheduled hours before having to pay extra instructional charges. The Student may use the 10% absent hours for vacation, doctor appointments, illness, etc.; however, the Student may not be out of school for 14 consecutive calendar days or they may be terminated. If the Student must attend additional program hours beyond their expected/calculated completion date due to not meeting a 90% attendance average or failure to complete academic graduation requirements, the Student will be charged an additional \$6.00 for each hour scheduled to complete after the expected/calculated completion date is reached.

Please note that Students are not eligible for additional federal financial assistance to pay the cost for extra instructional charges and may need to make other arrangements for paying these additional costs.

SUSPENSION, TERMINATION AND ADDITIONAL FEE

Students may be suspended or terminated from enrollment in the School, at the School's discretion, for reasons which include, but are not limited, to failing to comply with School rules or general policies, leaving the School without permission during the scheduled hours of a Students' Program, failing to attend for 14 consecutive calendar days, failing to complete practical worksheets, failing to attend theory classes or take theory tests, failing to meet the School's policies regarding Satisfactory Academic Progress, failure to pay tuition and charges when due, and/or otherwise acting in a manner detrimental to the classroom environment, the well-being of fellow students, faculty, staff, visitors, or institutional facilities.

As outlined in the Catalog, Students may be required to receive coaching sessions for noncompliance with certain policies. Once a Student has received five (5) coaching sessions, the Student may be suspended from the School for five (5) days. Suspended Students will be required to pay the administrative re-entry fee of \$100.00. If a Student receives two (2) additional coaching sessions after re-admission from a five (5) day suspension, the Student's enrollment may be permanently terminated by the School. A Student may be terminated by the School without prior coaching sessions for violating the Future Professional Advisory Policy.

- ❶ Complete the required number of Program clock hours.
- ❷ Complete and submit all practical skill assignments via the monthly worksheets, to demonstrate completion of practical skill requirements.
- ❸ Complete all assigned written and practical exams with a passing score.

Upon meeting all requirements listed above for graduation, the Student will receive an official transcript.

Students may also request an official current transcript from the School, at any time following graduation.

Upon meeting all requirements listed above for graduation, having all monies owed to the school and/or a payment arrangement made with the School, the Student will receive a certificate of completion.

Upon graduation, the school will issue one (1) transcript to the student free of charge. Other than that, any transcript requests made by the student or a third party will be charged a \$25.00 fee as of the date of the request.

CERTIFIED TRANSCRIPT

The school will provide to each current student a certified transcript detailing hours obtained, completed, and for which the school has been compensated.

WITHDRAWING FROM SCHOOL

Official Withdrawal Process: If a Student wishes to withdraw from school the Student must notify the school either in writing or verbally. A written notification can be delivered by regular mail sent directly to the school or via e mail sent to the Financial Services Leader at the School at the following e mail address fnaid@charleston.paulmitchell.edu. The date that the school is notified is the date of determination of the withdrawal and is based on the postmark date on the mailed notification, the date of the email notification or the date the Student calls or notifies the school in person. A Student on an approved leave of absence must notify the school as soon as possible if they will not be returning from the leave of absence. If the Student fails to return or contact the School Financial Services Leader on the documented return date, then the Student will be withdrawn from school with the date of determination being the documented return date.

If the Student fails to return from a leave of Absence (LOA) on the documented return date, the Student will be terminated from school as of the date the Student began the LOA. If the Student fails to contact the School in regards to not returning from a LOA or extending the LOA, the Student will be terminated from school as of the date the Student began the LOA. A Student may not take an unapproved LOA.

Official cancellation occurs when a Student is not accepted by the School, or when a Student or legal guardian cancels the Enrollment Agreement. The School also may initiate an official withdrawal for reasons which include but are not limited to the expulsion of the Student or the termination of the Student for failure to meet the applicable requirements of the School's satisfactory academic progress policy or the failure to pay tuition and other charges by the applicable deadlines.

Unofficial Withdrawal Process: An unofficial withdrawal may occur for a variety of reasons including but not limited to expulsion, failure to meet Program attendance requirements, failure to attend class in the Student's Program at the School for 14 consecutive calendar days, failure to meet applicable requirements in the school's satisfactory academic progress policies, or failure to pay tuition and other charges by the applicable deadlines.

Withdrawal Date: In both cases the Withdrawal Date (which is sometimes referred to as the last day of attendance) will be used in the Institutional Refund calculation and, if applicable, in the Federal Return of Title IV calculation.

 - b. A Student (or in the case of a Student under legal age, their parent or guardian) cancels their agreement and demands their money back in writing, within three (3) business days of signing the enrollment agreement regardless of whether the student has actually started training. All monies collected by the School are refundable except a non-refundable application fee.

Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a Student who has been absent from School for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the Student's actual last date of attendance.
- ❸ When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the School may make a settlement that is reasonable and fair to both parties.
- ❹ All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the kit purchase agreement.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The School participates in the Title IV federal financial aid Programs (Title IV). The Return of Title IV (R2T4) policy and formula are used by the School to determine the amount of Title IV funds that must be returned if the Student withdraws from the School. The R2T4 formula is applicable when the Student withdraws at any point during a payment period. Because the school is required to take attendance, the student's withdrawal date is their last date of attendance at an academically related activity as determined from the schools attendance records for both official and unofficial withdrawals.

The requirements for returning Title IV funds under the R2T4 formula is different from a School's institutional refund policy. The R2T4 formula determines the amount of unearned Title IV funds that must be returned when a Student withdraws. In contrast, the institutional refund policy determines how much tuition a Student owes after a Student withdraws.

So, it is possible that the R2T4 policy might result in a return of Title IV funds that previously paid for tuition and other charges at the School. In turn, the institutional refund policy might result in a Student owing funds to the School to cover unpaid institutional charges even though the Student withdrew from the School without completing the Program. The R2T4 policy is discussed below. The institutional refund policy is discussed in the previous section of the Enrollment Agreement.

R2T4 Calculation: The R2T4 formula applies if the Student received or could have received federal Title IV financial assistance during the payment period in which the Student withdrew based on applicable eligibility criteria (e.g., Pell Grants, FSEOG, Direct Subsidized Loans, Direct Unsubsidized Loans, or Direct PLUS Loans). The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the Student's withdrawal date. For clock-hour Programs, a Student earns the percentage of scheduled clock hours up to the date of withdrawal divided by the number of scheduled clock hours in the payment period.

For example, if a Student completes 30% of the scheduled clock hours, the Student will earn 30% of the assistance the Student originally received or was eligible to receive. Once the Student completes over 60% of the scheduled clock hours in the payment period of enrollment, a Student has earned 100% of the FSA funds the Student received and was scheduled to receive during the period.

The amount to be returned as unearned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

I HAVE READ AND UNDERSTOOD PAGE 9 OF THIS AGREEMENT, WHICH CONSISTS OF 13 PAGES. IT IS PART OF THE CONTRACT WITH THE SCHOOL.

Initial here: _____

If a Student does not start or begin attendance at the School or start or begin attendance in a payment period at the School, the R2T4 formula does not apply but the School must return any Title IV funds disbursed on the Student's account ledger for the applicable payment period.

Title IV Funds Returned by the School: If a Student receives (or the School or parent receive on the Student's behalf) excess Title IV funds that must be returned, the School must return all or a portion of the excess funds equal to the lesser of:

- ① The institutional charges multiplied by the unearned percentage of the Student's Title IV funds:
or
- ② The entire amount of excess Title IV funds.

The School must return its share in the following order:

- ① Unsubsidized Direct Loan
- ② Subsidized Direct Loan
- ③ Direct PLUS Loan (Parent)
- ④ Federal Pell Grant
- ⑤ Federal SEOG

Returns must be made no later than 45 days after the date of determination of the Student's withdrawal.

Title IV Funds Returned by the Student: If the School is not required to return all of the excess Title IV funds, the Student may be required to return the remaining amount. This is determined by subtracting the amount returned by the School from the total amount of unearned Title IV funds to be returned.

For any Direct loan funds, a Student must return, the Student (or the parent in the case of PLUS Loans) will repay the Direct Loan funds in accordance with the terms and conditions of the Master Promissory Note (MPN). That is, a Student will not be required to repay any Direct Loan funds immediately, but instead, the Student will make scheduled payments to the Department of Education over a period of time.

Any amount of unearned Pell Grant funds that a Student must return is called an overpayment. The maximum amount of Pell Grant overpayment that a Student must repay is any amount of the overpayment that is greater than one-half of the Pell Grant funds the Student received or was scheduled to receive. A Student does not have to repay a Pell Grant overpayment if the original amount of the overpayment is \$50 or less. The Student must make arrangements with the School or the Department of Education to return the unearned Pell Grant funds or lose eligibility for the Title IV funds.

Within 30 days of the date of the School's determination that the Student withdrew, the School will send a notice to the Student advising the Student that they owe a Title IV overpayment as a result of the Student's withdrawal. If the Student is not able to pay the overpayment within 45 days of the date of the notice, the Student may enter into a repayment arrangement with the Department of Education. If the Student does not pay the overpayment or make a repayment arrangement, the Student will be ineligible for any further Title IV funds.

Credit Balances: If a credit balance still exists on the Student's account after the Return of Title IV calculation is completed, the credit balance will be used to pay any grant overpayment that exists based on the current withdrawal or any remaining institutional charges. Any remaining credit balance will be paid to the Student within 14 days from the date that the Return of Title IV calculation was performed.

I HAVE READ AND UNDERSTOOD PAGE 10 OF THIS AGREEMENT, WHICH CONSISTS OF 13 PAGES. IT IS PART OF THE CONTRACT WITH THE SCHOOL.	Initial here:_____
---	--------------------

Post Withdrawal Disbursements: If a Student did not receive all of the Title IV funds earned, a Student may be due a post-withdrawal disbursement. If the post withdrawal disbursement includes grants, the school must disburse the grant funds as soon as possible but no later than 45 days after the date of the school's determination that the student withdrew (no confirmation from the student is required). If the post withdrawal disbursement includes Direct Loan funds, the School must offer the loan funds to the student or parent (in the case of PLUS Loans) within 30 days of the date the school determined the student withdrew, allowing the student or parent at least 14 days to respond and accept or decline the funds. The school must obtain the Student's or parent's (in the case of PLUS Loans) permission before it can disburse the Direct Loan funds. A Student or parent may choose to decline some or all of the Direct Loan funds, so the Student or parent do not incur additional debt.

The School may automatically use all or a portion of a post-withdrawal disbursement of grant funds for institutional charges. The School needs to obtain permission from the Student to apply Title IV funds for other educationally related expenses. Post-withdrawal disbursements will be made from Pell Grant funds first if the Student is eligible. If there are current educational costs still due the School at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be created to the Student's account. Any remaining Pell funds will be released to the Student without the Student having to take any action.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR SCHOOL

The transferability of credits you earn at the School is at the complete discretion of the institution to which you may seek to transfer. Acceptance of the certificate you earn is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at the School is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at the School will meet your educational goals. This may include contacting a School to which you may seek to transfer after attending the School to determine if your credits or certificate will transfer.

I acknowledge that the School makes no guarantee of transferability of credits earned at its School to another School and I have reviewed and understand the Notice Concerning the Transferability of Credits and Credentials Earned at our School contained in this agreement.

The School also expressly reserves the right to cancel or postpone any new start for any program due to insufficient enrollment. Reasonable notice of any such changes will be provided when possible.
